Just some of the ways you can make a gigantic splash and enjoy the unlimited rides all day long include:

- Raft the roaring rapids on **The River Torrent Lazy River**, with twisting tides and swirling gauntlets along a tropical river oasis

- Take a splash in the dark on the **Wild West Canyon** on a two-seater raft, experiencing twists and 360 degree turns!

Adventure Park is doing it for the kids, too! The Tiny Tots Splashzone keeps the young ones cool, safe and entertained, with waterfalls, mini waterslides and spray cannons throughout. While Bonito's Bay Water Play offers a state-of-the-art aquatic playground including waterfalls, water jets and more pirate-filled water fun.

On dry land, families can take a ride on the popular Go Karts and Electric Cars, try a hand at Archery, discover the new Galactic Games World, challenge family and friends to a game of Mini Golf, take a leisurely ride on the Paddle Boats and Aqua Bikes and watch the world go by on the Classic Carousel.

This summer we have something extra special, Adventure Park opens the drawbridge to Treasure Island, an all-new attraction where you can experience the excitement of Bonito's live Pirate Show, a jam packed musical spectacular where Bonito the Pirate and his brave band of buccaneers search for lost treasure. Filled with action, comedy, song and dance, Bonito's Pirate Show is a must for the whole family.

Two all-new food and beverage outlets have opened their doors; Candy Land, serving up colourful sweets and lollies and the Extreme Frozen Zone, serving up frozen slushies and snow cones – the perfect thirst quencher!
